Over 200 community musicians will be joined with visiting artists to perform throughout Kitsap County during the Bremerton WestSound Symphony's 81st season of concerts. The orchestra presents six programs of live classical music including Beethoven's immortal *Fifth Symphony* and Handel's beloved *Messiah* for the holiday season.

Our audience spends 60 minutes or longer (on average) reading our program at every concert. The program is a beautiful keepsake that many patrons and musicians take home to enjoy after every concert, extending the impact of your advertising message.

Being an advertiser in our print program brings your business key recognition to performers and patrons in our community, including:

- Over 1,000 concert attendees at mainstage symphony concerts;
- Thousands of monthly readers of Bremerton Symphony e-mail and social media messages;
- Thousands of residents receiving print, online, and radio advertising for concerts and programs.
